

Introduction for Steuart Snooks

Steuart Snooks is Australia's leading Email & Workplace Productivity Expert and Thought Leader.

He works with teams, executives and their EAs across Australia to help them get control of email so they have more time and focus for higher priorities.

Clients consistently praise the depth, relevance and practicality of Steuart's presentations, workshops and coaching.

His true purpose is to help every workplace restore email to its rightful place - a powerful tool to facilitate improved workplace productivity and effectiveness, rather than a hindrance to it.
